Atty. J. Mercer Burrell,
23 Howard St.,
Newark, N. J.

Dear Mercer:

You will probably laugh when you read this, but I am now seeking an appointment with one of the Gentlemen running for Commissioner. I do feel that I should have a talk with Acting Commissioner Brady so that I can tell Colonel Gilbert what first-hand information I have received about the steps being taken to take care of the Regiment when they visit here. I thought you might want to make this appointment for me. Make it for any day next week but Monday, at any time will be convenient for you and Mr. Brady.

I also would like to remind you please add the names of Mr. Lester P. Foster, 37 South 17th St., E. Orange, N. J. and Miss Sarah Cooke, 63 Somerset St., City to the Mayor's Committee to welcome the Regiment, these names in addition to Dr. Darden and Mr. Puryear.

Very truly yours,
